

St. John Neumann Parish

Dear Parishioners and Friends of St. John Neumann Parish,

I want to extend my sincere thanks to everyone who attended the parish celebration and rollout of our new three-year Pastoral Plan on October 14 and 15. It was very gratifying to see so much enthusiasm and genuine joy among so many parishioners.

Click [HERE](#) to print the Parish Pastoral Plan.

The lead agents for each of the Plan's five areas will be reaching out as soon as they can to everyone who signed up. This may take some time, depending on their current tasks and priorities, so please be patient. If you would like to sign up to be contacted as a sounding board as we move the Plan into implementation or to be asked to help out with specific activities that will emerge in response to the direction and objectives we have set for each key area, click [HERE](#).

Again, my thanks to you for helping to make an already great parish even better!

Live Jesus,

Fr. Joe
