

Sunday March 26, after the 9:30 am Mass (weather permitting), our Pastor Fr. Joe will lead parishioners on a 30-45 minute walk in solidarity with St. John Neumann's virtual "Walk to Jerusalem"! We will gather in front of the rectory. Join Fr. Joe and the SJN Health Ministry for this fun event as we encourage one another's spiritual and physical Lenten journey. All are welcome!

In fellowship with our Care for The Common Home ministry, we will not provide bottled water but encourage you to bring your re-usable container from home.

As of March 12, St. John Neumann had made it to Brazil but only 1/3 of parishioners had turned in their miles! Don't forget to send yours to [sjwalktojerusalem@gmail.com](mailto:sjwalktojerusalem@gmail.com) or drop at the WTJ table by the Health Ministry bulletin board.
